

This is our current list of Suffolk County school districts and contact persons participating in the Arts-In-Education/ Exploratory Enrichment programs during the 2009/10 school year. Most districts allow Principals to sign your invoices. There are a few exceptions and they are listed below. If you have difficulty obtaining the designated signature on the day of the performance, please fax (631-286-6991) or mail the invoice to our office and we will obtain the proper signature. Please remember to send or fax in your signed BOCES contract prior to your performance.
