Education Week

Dear Friends and Celebration Alumni,
Today marks an exciting milestone for the Celebration of Teaching & Learning - we are commemorating 5 years of the Celebration with the opening of our 2010 web site! **Register now for the Fifth Annual Celebration of Teaching & Learning on March 5-6, 2010 at the Hilton New York.**

Come and join the conversation!

This premier professional development conference brings together global experts, activists, academics, thinkers will stimulate creativity in your PreK-12 classrooms. Educators can hear from U.S. Secretary of Education **Arne Duncan, Lisa Henson, Queen Latifah, Bobby McFerrin, Her Majesty Queen Noor, Steve Spangler, David Rose, Linda Darling-Hammond, Diane Ravitch, Alan Blankstein, Nancie Atwell** as well as others to share the best in education practice.

2010 will bring new faces and voices to address the worlds of Early Childhood Education, English Language Arts, Instructional Technology, Science, Technology, Engineering and Math (STEM), Social Studies, Special Education and Whole School Issues.

For the most complete list of confirmed speakers and session descriptions for the Celebration 2010, as well as video from prior events, please visit the event website: thirteencelebration.org
