

Welcome to NYSCATE!

The New York State Association for Computers and Technologies in Education (NYSCATE) is a group of educational technology leaders who share a passion for teaching and learning.

NYSCATE members have access to the latest information and professional development activities connecting with and engaging with educational technology leaders from across New York State and beyond.

MEMBERSHIP IS FREE! Visit www.nyscate.org and click on join now!

Please visit the following web sites:

www.nyscate.org (the official web site for NYSCATE)

<http://www.nyscate.ning.com/> (the official site for NYSCATE social networking)

<http://www.nyscate.wikispaces.com/> (the official site for NYSCATE Conference Presentation Materials)

Start enjoying your member benefits today!

As a NYSCATE member you will engage with thousands of technology using educators and leaders at our highly regarded educational technology conferences:

Long Island Technology Summit (October)

NYSCATE Annual Conference (November)

NYSCATE Hudson Valley Regional Conference (March)

NYSCATE Digital Wave Conference (March)

NYSCATE Leadership Summit (July)

Only NYSCATE members are eligible to present at the Annual NYSCATE Conference - the premier educational technology conference in New York State.

NYSCATE members and their students are eligible for thousands of dollars in grant money and scholarships that NYSCATE offers each year.

NYSCATE members may nominate teachers and administrators from their districts for the highly esteemed awards that NYSCATE presents annually.

NYSCATE members receive a discount on their registration for [Technology and Learning Magazine's - Tech Forum New York](#) - IBM Palisades.

NYSCATE members receive a discount on their registration for ISTE's conference, one of the largest technology conferences in the world.

NYSCATE members are eligible for discounted prices on books from the [International Society for Technology in Education](#) (ISTE). ISTE publications are nationally renowned for their value to technology using educators.

NYSCATE members receive the electronic Big Deal Book Technology e-newsletter on a monthly basis; a great resource for grants and the latest information on educational technology.

Visit your profile page to keep your contact information current by visiting the Membership web page and using the links in the left hand navigation bar.

Like any membership, often what you receive by belonging to an organization is directly related to how much you put into the organization as an active member.

Welcome and we look forward to your participation!

Please do not hesitate to contact the NYSCATE Office at nyscateinfo@gmail.com or your regional representative, Darlene ROCES, Long Island Director, at droces@nyscate.org.
