

Planning Step Four: Design Instructional Activities

What instructional activities and support will move students through the phases of the inquiry process?

Connect: (Connecting to own interests, prior knowledge, and background knowledge)	Lessons Students will:	Resources	Assessments
Wonder: (Asking questions, making predictions, forming tentative thesis)			
Investigate: (Finding and evaluating information to answer questions)			

Construct: (Constructing new understandings, forming opinions, drawing conclusions)	Lessons	Resources	Assessments
Express: (Applying new understandings to new context; expressing new ideas to share with others)			
Reflect: (Reflecting on own learning; asking new questions)
