Building a Stronger Foundation for Completing the Every Student Succeeds Act (ESSA) Consolidated Application

Presented by Rose Peppe

Every Student Succeeds Act (ESSA) Consolidated Application will be presented for the third time in 2020-21. Each year there are changes which school districts must become familiar with as well as new requirements imposed by the New York State Education Department. This full day workshop will build a stronger foundation for its participants to meet these new challenges by reviewing, in detail, the current requirements presented to school districts in 2019-20. The focus will be an in-depth review of the 2019-20 ESSA Consolidated Application and Level 1 Addendum expectations for submission to NYSED to receive approval. The participants’ knowledge of the comprehensive application components for Title I Part A, Title I Part D, Title II Part A, Title III LEP, Title III Immigrant, and Title IV Part A, along with Equitable Services for Non-Public Schools will be strengthened. Allowable and unallowable expenses for each Title program will be examined permitting participants to develop approval budgets for submission to NYSED. In this way, attendance at this workshop will better equip the writers of the 2020-21 Consolidated Application to address the new challenges that will be introduced, since the current requirements will be more easily understood and prepared for NYSED acceptance.

Rose Peppe served 33 years in the Lawrence Public Schools first as a teacher and then as an administrator. She is now an educational consultant working with school districts in the areas of literacy, state assessments, the implementation of Common Core expectations, Mindset Theory and the No Child Left Behind /Every Student Succeeds Acts since her retirement in 2002. She prides herself on staying current with research and practices so she may offer practical suggestions and understandings to those with whom she works. The intent of her professional development work is to maximize the effectiveness of instructional practices across all content areas in grades K through 12.
