This workshop will review Teacher Effectiveness research and will introduce the participants to evidence-based observation aligned with the New York State Teaching Standards. The Growth Model and Value-Added Model will be reviewed and discussed as well as the application to Student Learning Objectives and teacher evaluation. SED APPR requirements will be reviewed. We will discuss options for locally developed measures as part of the required APPR regulations. A review of updated state rules from the guidance document will be provided.

**Training Elements Covered:**

1. NYS Teaching Standards and their related elements
2. Evidence-based observation techniques
3. Application and use of the student growth percentile model and the value-added growth model as defined in section 30-2.2 of this Subpart
4. Application and use of the approved teacher practice rubrics
5. Application and use of any assessment tools you intend to use (e.g., portfolios, surveys, goals)
6. Application and use of any State – approved locally developed measures of student achievement you intend to use
7. Specific focus on the principal’s ability to motivate and engage constructively with parents and other members of the school community
8. The scoring methodology utilized by the Department and/or the district of BOCES to evaluate a teacher or principal under this Subpart, including how scores are generated for each subcomponent and the composite effectiveness score and application and use of the scoring ranges prescribed by the Commissioner for the four designated rating categories used for the teacher’s or principal’s overall rating and their subcomponent ratings
9. Specific considerations in evaluating teachers and principals of English language learners and students with disabilities
