East Islip School District
Special Programs
(631) 224-2041
Introduction
ESBOCES is proud to provide the Extended Day Enrichment Program in the East Islip School District. ESBOCES has been a leader in providing enhanced educational activities for students of all ages and grades for many years and looks forward to providing a safe and secure program to the children and parents of the East Islip community. Since this is an enrichment program rather than merely a day care program, a variety of educational opportunities such as the homework room and interactive activities will be offered.

Students Eligible
This program will be available for all students enrolled in the East Islip School District attending grades kindergarten through fifth. In order to attend, the child must be registered with the ESBOCES Extended Day Enrichment Program and have completed the ESBOCES medical, emergency contact, and Press Release forms. Families owing money to the District for services provided in prior years will not be able to register their child(ren) until the amount owed is paid.

Hours of Programs
The Early Morning Program which is held at each elementary school begins at 7:30 am. Parents are responsible for bringing their children to the Early Morning Program. Drop off between 7:00 am and 7:30 am can be arranged at an additional cost of $5.00 per child per day. When dropping off children at the Early Morning Program, parents are to deliver their child(ren) to the cafeteria door and ensure that an employee is present and has admitted the child to the program before leaving the school.

The After School Enrichment Program begins at the end of the school day and operates until 6:00 pm. This program is housed at Connetquot Elem. School and Timber Point Elem. School. Students from Ruth C. Kinney Elem. School will be bused to Connetquot Elem. School and students from John F. Kennedy Elementary will be bused to Timber Point Elem. School. Parents are to note that a fee is charged for late pick up after 6:00 pm.

Busing – After School Program
While the home school staff will assist the Extended Day Enrichment participants, it will be the parent’s responsibility to ensure that their children know which bus to take for the Extended Day Enrichment Program and which days the children will be attending (After School Program only).

Health Services – Employees and Participants
No student or staff member may attend the ESBOCES Extended Day Enrichment Program while he or she has acute symptoms of any infection or communicable disease. If a participating child becomes sick or is injured during his/her stay in the program, the child will be separated from the group and given individual attention. The child’s parent/guardian/emergency contact person will be notified immediately and directed to pick up the child as soon as possible. In an emergency, the parent will be contacted and 911 will be called for ambulance assistance. No medication of any type including but not limited to; any prescription drugs, cough drops, vitamins, aspirins or ear drops may be administered and no medical procedure will be carried out except upon the written consent of the parent/guardian and in original prescription containers with the child’s name on it. Medications will be returned to the parent/guardian when no longer needed. Medications will not be made accessible to the children. All necessary program forms must be completed by the parent/guardian for medication administration. Spray sunscreen can be applied with written permission from the parent/guardian.

Refreshments – After School Program
During the morning program, students may purchase breakfast from the breakfast program at each school. In the after school portion of the program, refreshments consisting of a nutritious snack and milk or juice will be available for every student. For parents of students with food allergies or with any type of special dietary restriction or need, it may be necessary to provide alternate snack items for your child. Please keep in mind that there may be children with a severe food allergy to peanuts that can be potentially life threatening. If there are any concerns or questions regarding the contents of our snacks, parents should discuss the issue with the school nurse and the Extended Day Enrichment Program administrators.

Communication with Programs
Parents are asked to use the email address sparker@eischools.org to communicate with the program (Mrs. Stephanie Parker/child care registration). In the event that a phone conversation is necessary, please call (631) 224-2041. During after school program hours, parents needing to contact staff may do so by calling Timber Point Elementary at (631) 581-1887 and Connetquot Elementary at (631) 581-1834.

Activities of Programs
• Early Morning Program – Children are provided a variety of options for activities, including games, blocks, Legos, toys, arts and crafts, and much more. Children may engage in physical recreation in the gymnasium or outdoors, weather permitting. Special shows and courses will be offered throughout the year.
• After School Program – Students will be provided time for snack and recreation activities during the first portion of the program. Recreational activities available will include; use of the gymnasium, activity room, computer lab, and playgrounds outside. A staff member will be instructed to maintain a constant line of vision with all students.

Students will also be asked to enter the homework room where they will be provided assistance with their homework by a certified teacher and counselors if they should request assistance. Parents are encouraged to communicate with their children about their progress in the homework room and may communicate special requests to staff regarding homework priorities. Staff members in the homework room will be trained in techniques to assist students with homework, but the responsibility to complete all assignments rests entirely with the student. Please inform your children that they will attend homework room every day for at least thirty minutes to complete homework or to read quietly.
During the course of the year, certain activities will be made available for students to join. A list of activities will be provided to parents and students. Students may select activities and students closed out of an activity will get the first opportunity to join the activity the next time it is offered. Activities will be organized into groups of grades K-2 and grades 3-5 students. **Students signing up for an activity are expected to attend every session of that activity.**

**Staffing of Program**
The ESBOCES Extended Day Enrichment Program will be managed by two **Administrators** who must possess a valid and current NY State teaching certification. The **Administrators** will be responsible to:
1. Oversee the instruction provided in the program.
2. Manage all staff.
3. Ensure that all students are properly transported to and from the program every day.
4. Communicate with the East Islip business office and the elementary school principals on a daily basis.
5. Communicate information to parents regarding the needs and concerns of their children.
6. Confirm all educational programs scheduled prior to each presentation.
7. Obtain the necessary snacks and supplies.
8. Oversee the homework room to ensure that the instruction is provided in accordance with the training provided.
9. Ensure proper supervision of students is maintained during the program.
10. Address any other items that would have an effect on the decorum of the program.

**Counselors** will be responsible to:
1. Assist teachers in facilitating the mandatory homework/reading period.
2. Monitor students to provide adequate supervision and a safe environment in a variety of activities and recreational areas.
3. Provide ongoing communication with teachers and ESBOCES Extended Day Enrichment Directors.

**Teachers** added to:
1. Assist in the homework room.
2. Oversee specific activities.
3. Provide enrichment instruction to the students in the program.

Teachers must possess a valid and current NY State teaching certification.

**Disciplinary Action**
The Extended Day Enrichment Program is a service provided by the East Islip School District for children enrolled in the East Islip School District. If a participant or those individuals responsible for a participant do not comply with the rules and regulations of this program, the participant will be dismissed. Such dismissal may be for a day, several days or indefinitely. Any disciplinary action taken will be first discussed with the participant's parent/guardian. The following disciplinary actions are prohibited: room isolation, corporal punishment, deprivation of snacks and methods of discipline which frighten, demean or humiliate a child. Discipline will be prescribed, administered and supervised only by the staff. The Administrators will fully document actions taken and the reasons for taking such action when deemed necessary. This includes a conference between the Administrators and the parent/guardian followed by written communications when necessary. An appeal may be brought to the ESBOCES Administrators for review and final determination. If a child is having difficulty adjusting to the program, a conference will be arranged between the parent/guardian and the staff. Appropriate behavior is a requirement for continued enrollment and determination of appropriate behaviors shall be at the discretion of the Administrators.
Snow Days/Closure of Programs

1. When the East Islip School District declares a snow day and/or is closed for the entire day, both the Early Morning and After School Programs will be cancelled for that day.
2. If the district declares an emergency closing during the school day, the After School Program will be closed. Students entitled to a bus will be bused home, walkers will be released as walkers.
3. If there is a delayed opening, the Early Morning Program will be cancelled.

Payment Information
(Registration fee and first month’s payment due at time of registration)

At the time of registration, families will need to enroll in MySchoolBucks® in order to have access to the convenience, efficiency and flexibility of making payments to the program online. A link to the MySchoolBucks® School Store can be found on the District’s website under the “Parents” dropdown list. Your student’s school ID# will be needed to enroll your child. If you already make payments for the breakfast and lunch program through MySchoolBucks®, there is no need to establish a separate account.

Prior to the beginning of each month, those families paying either the eight-day minimum or monthly tuition must access the MySchoolBucks® School Store to submit their payment. For your convenience you can register your payments to be recurring, therefore eliminating the need to log-in every month. Additionally, those families paying the eight-day minimum will also be able to submit payment for additional days utilized beyond the initial eight days in the prior month. Finally, payment can also be made for additional hours used for Early Drop Off (Morning Program) or Late Pick Up (After School Program), if applicable.

There is a convenience fee associated with using the MySchoolBucks® School Store. This fee can be minimized by using the OnePay ™ option at the MySchoolBucks® School Store. An annual membership fee of either $12.95 for a student membership or $26.95 for a household membership will cover any transactions processed through MySchoolBucks® School Store during a twelve-month period, including payments made for the breakfast and lunch programs. This feature requires the fee and subsequent payments to be deducted from your checking account. If families would rather use a credit card for school store payments, a fee of 3.95% of the transaction amount will be added to each payment being made. Please note that in either case, the District does not receive revenue relating to the processing of your checking account or credit card transactions.

Support in establishing your account can be obtained via email at parentsupport@myschoolbucks.com or by phone at 1-855-832-5226. Questions relating to amounts due for registration and tuition can be directed to Maria Brabender at (631) 224-2029.

Families owing money to the District for services provided in the prior year will NOT be able to register their child until the amount owed is paid in full. Also, students will not be permitted to attend the programs if amounts owed in the current year are past due. Tuition fees are due in advance of the month of service.

ESBOCES Extended Day Enrichment Participation Policies & Code of Conduct

I have reviewed the Extended Day Enrichment Handbook for 2018-19 with my child(ren) and we acknowledge and agree to the following:

**ESBOCES EXTENDED DAY ENRICHMENT CODE OF CONDUCT**

It is our philosophy that rules are made to keep you safe. We have three basic rules:

1. Take care of yourself.
2. Take care of others.
3. Take care of your environment.

The Code of Conduct is intended to be a guide for general behavior for the members of our community and includes the following expectations. **Each person:**

- values and respects others in our community.
- is responsible for the appropriate use of the facility and property belonging to others.
- is expected to choose appropriate behaviors and language, and encourage others to do so.
- is expected to think about the results of one’s actions and how they impact others.
- is expected to solve disagreements by talking, listening and compromising.
- is responsible for helping to make ESBOCES Extended Day Enrichment a safe and positive learning environment for everyone.

**Consequences for Inappropriate Behavior**

If the program staff is unable to solve the problem through discussions, redirections, and reviewed expectations, they will proceed with the following stages:

1. Give a verbal warning and help the student identify the misbehavior through a discussion about expectations and some alternative behaviors that could be used in the future. Age appropriate re-direction or an alternate activity may be provided.
2. Give a second warning with a discussion about expectations and arrange for the teacher or director to communicate with parents/guardians regarding the concern.
3. Schedule a conference with the student, parents/guardians, and program director to discuss a plan of action for resolution of the concern.
4. Prohibit the student from participating in a future activity for a pre-determined amount of time.

**By signing below we indicate that we have read, reviewed, and understand all of the above statements.**
