This program is part of an Eastern Suffolk BOCES aidable service. Costs to be determined based on individualized program requests.

IF YOU ANSWERED “YES” TO ONE OF THE QUESTIONS ABOVE...

Take advantage of an opportunity to give your students an extra edge during the 2019-2020 school year with the benefit of an extended day program to include enrichment opportunities combined with homework assistance run by Eastern Suffolk BOCES. The district can choose the extended day hours. Current programs operate from 7:00 a.m. - 9:00 a.m. before school and from 2:15 p.m. - 6:00 p.m. after school under the supervision of an Eastern Suffolk BOCES appointed Director. Please see the reverse side for additional information.

Eastern Suffolk BOCES does not discriminate against any employee, student, applicant for employment, or candidate for enrollment on the basis of sex, gender, race, color, religion or creed, age, weight, national origin, marital status, disability, sexual orientation, gender identity or expression, transgender status, military or veteran status, domestic violence victim status, genetic predisposition or carrier status, or any other classification protected by Federal, State, or local law. ESBOCES also provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding the implementation of the applicable laws should be directed to either of the ESBOCES Civil Rights Compliance Officers at ComplianceOfficers@esboces.org: the Assistant Superintendent for Human Resources, 631-687-3029, or the Associate Superintendent for Educational Services, 631-687-3056, 201 Sunrise Highway, Patchogue, NY 11772. Inquiries may also be addressed to the Office for Civil Rights at the US Department of Education, 32 Old Slip, 26th Floor, New York, NY 10005, 646-428-3800. OCR.NewYork@ed.gov
ADDITIONAL INFORMATION:

- Students will participate in the homework room, where they will be provided assistance with their homework by a certified teacher and counselors.
- The program will provide refreshments consisting of a nutritious snack and milk or juice each afternoon for each student.
- Students will be provided time for structured recreation. Typical recreational activities available will include: use of the school’s gymnasium, use of available computer and STEM labs, use of an established activity room and use of the school’s playgrounds.
- During the course of the year, special enrichment activities and shows will be made available for students to join and participate in.
- Monthly STEAM-based (Science, Technology, Engineering, Art, and Mathematics) units are offered for all students to participate in.
- Transportation to and from the programs is the responsibility of parents and guardians.
