Year-Round Enrichment Program
2020-2021

Morning & Afternoon Extended Day Enrichment

Are you currently operating an extended day program? Does your district wish to start a program?

Take advantage of an opportunity to give your students the benefit of an extended day program in their school. The program includes STEAM-based (Science, Technology, Engineering, Art, and Mathematics) enrichment opportunities combined with homework assistance and is run by Eastern Suffolk BOCES under the supervision of an ESBOCES appointed director and staff. The district can choose the extended day hours and locations. Current programs operate:

- Before school from 7:00 a.m. to 9:00 a.m.
- After school from dismissal to 6:00 p.m.

(See reverse side for more information)

Eastern Suffolk BOCES does not discriminate against any employee, student, applicant for employment, or candidate for enrollment on the basis of sex, gender, race, color, religion or creed, age, weight, national origin, marital status, disability, sexual orientation, gender identity or expression, transgender status, military or veteran status, domestic violence victim status, genetic predisposition or carrier status, or any other classification protected by Federal, State, or local law.
