

NOTES FROM THE ADMINISTRATION

Welcome to the Islip Career Center.

The following information will help students get the most from their career education experience. Students will find facts they will need to know about the Islip Career Center and what is expected as a student.

Students need to take the time to carefully read and understand the information in this packet. We encourage parents/persons in parental relation to read it as well. If students have any questions, they should see their teacher, support staff personnel or administrators. They will be glad to answer any questions.

Students have the power to determine their own success. It is important to start the school year off on the right track by bringing a positive and motivated attitude to school each day. We are looking forward to working with each and every student.

ACCESS TO SCHOOL RECORDS

Parents and students have a right to access their school records.

ACCIDENTS AND ENSURING SAFETY

It is important to everyone at the Islip Career Center to provide a safe environment. We must all work together to ensure the good health, welfare, and safety of the total school community.

If a student has an accident and is injured, he/she must report it to the teacher immediately. A student may be given first aid and an Accident Report will be completed. By reporting every injury, no matter how small, students are protected.

To ensure a safe environment, students must adhere to the following safety rules while attending the Islip Career Center:

- Students must never run in class or hallways.
- Students must dress appropriately for their career education class. The teacher will let students know the kind of clothing that is appropriate for his/her class. In some classes, students may be required to wear safety glasses, shop coats, foot wear, gloves, or other protective equipment.
- Students must have the Parent/Person in Parental Relation/Student Consent and/or Acknowledgement form completed before operating equipment.
- Students must carry and handle tools properly and place them in their proper storage area. They need to be placed where they will not fall or cause injury to others or get damaged.
- Students need to clean up after working at any station by properly disposing of any cutting scraps or dangerous materials.

If a student or parent/person in parental relation has any questions, please contact the teacher.

ABSENCE REPORTING

The Islip Career Center staff believes that regular and punctual attendance is essential for success in school and to prepare a student to enter the world of work. A person's attendance history is usually given strong consideration by prospective employers.

There may be times when a student will be absent from school for reasons of an accident, illness, or unavailable transportation. A student must bring in a note signed by their parent/person in parental relation explaining the reason for the absence and the date(s) of the absence.

Telephone calls are made to the home by staff regarding absences.

If a student is absent, it is his/her responsibility to make arrangements with the teacher to make up any work that is missed. If a student does not make up missed work, it may affect his/her grade at the end of the quarter.

Honor Roll -- A student can be an Honor Roll student each quarter if they achieve a 90 or better.

CREDIT AND GRADING

The grades for the Islip Career Center will reflect student performance in areas outlined in the N.Y. State Education Department goals, Eastern Suffolk BOCES policy and each student's recommended Career Component Plan. Teachers standards for grading are based on the IEP, classroom objectives and standards of achievement which include:

Credits for work completed at the Islip Career Center will be awarded by the home school district. Each district has its own policy for awarding credit. If a student has any questions, they should speak to the home school guidance counselor. **Report Cards** are issued four times a year. **Progress Reports** are issued during each mid quarter to provide information to the parents and the student of the expected report card grade and conduct. **Report Cards** and **Progress Reports** are located on the Parent Portal at <https://parentportal.eschooldata.com>. **Employability Profiles** will be issued at the end of the school year.
