LONG HAUL TRACTOR TRAILER DRIVING COURSE

The trucking industry in the USA is vast and employs millions of people. Eastern Suffolk BOCES has partnered with Commercial Driver Training, Inc., to provide students with a broad base of knowledge through classroom instruction and practical experience driving a tractor trailer across state lines. Students must be 21 years of age or older, possess a valid New York State Driver License, and pass a drug test and a D.O.T. physical exam. The location of the facility for the drug test and physical exam will be provided at the time of registration. All requirements must be fulfilled before the first day of class. You are required to go to the DMV to take the written CDL exam upon completion of the classroom instruction before vehicle training. Two road tests are included in the program. DMV fees are not included in the programs cost. Upon registration, you will be given the contact information to schedule your class. Job placement is available. **7-week course**

TTE6000

Location: West Babylon, NY
