

**Did You Know** the TASC™  
(Test Assessing Secondary Completion)  
replaced the GED® examination?

Are you ready to earn your New York State Equivalency Diploma and embark on a career? Instruction is based on the content of the TASC™ exam, which includes math, reading, writing, social studies and science. You will explore Adult Education career courses which will allow you opportunities beyond the New York State Equivalency Diploma.

- All classes provide job readiness training, i.e., resumes, job applications, softskills, and onsite weekly career training workshops on various topics that include: business and finance, computer technology, health literacy, debt management, and financial literacy.
- Please note that you need to be 21 years of age or over and that we require a registration fee of \$25.00 (money order or certified bank check) payable to ESBOCES.

**THE NATIONAL EXTERNAL DIPLOMA PROGRAM (NEDP)** is an applied performance assessment system that evaluates reading, writing, math and workforce readiness skills of participants in life and work contexts. Students who successfully complete the program are awarded a local high school diploma. The NEDP:

- assesses high school-level skills, awarding a New York State High School Equivalency diploma so graduates can meet their academic and career goals.
- is designed for self-directed students with life and work experiences and a general familiarity with the computer.
- offers flexible scheduling and confidentiality.
- evaluates 70 competencies in ten content areas including Financial Literacy, Health Literacy, Civic Literacy, Geography, History, Science, and Twenty-First Century Workplace Skills.
- assesses competencies that are based on skills outlined in the Common Core College and Career Readiness standards.
