THE LONG ISLAND CONSORTIUM FOR EXCELLENCE AND EQUITY – SUFFOLK COUNTY

“Preparing Each and Every Student for Success in Post-Secondary Education and in Life”

The Long Island Consortium for Excellence and Equity-Suffolk is an evolving collaborative network of Suffolk County, NY school districts that have committed to learn and work together to support and nurture the school and life success of ALL of their students.

The Consortium serves as a critical regional resource for participating districts to take proactive and system-wide leadership responsibility for significantly improving the academic performance of all students, increasing high level educational opportunities to learn for all students, and eliminating the observed opportunity and achievement disparities among subgroups of students defined by race/ethnicity and/or economic circumstance.

The Consortium creates an important venue where our best collective thinking about policy, research and practice percolate – thinking and action that enhances all of our students’ academic achievement, access to high level educational learning opportunities, and equity in attainment.
