

## Creating a Professional Learning Culture Based on SEL

In this session, we will be exploring how adults in education can begin to understand and recognize self-awareness related to implicit bias and social awareness to better understand the perspectives of others. Through a review of transformative SEL, we will continue deepening our understanding of the CASEL Core Competencies to promote and leverage equity and promote personal growth. This deepening awareness contributes to healthier culture and climate of schools, and the overall professional learning community.

## Creating a Professional Learning Culture Based on SEL

Date: Tuesday, May 18, 2021

Time: 3:30 – 5:00 pm

Presenters: Eastern Suffolk BOCES Trainers Dr. Peggie Staib and Laura Grable
