Rosen Interactive eBooks

Rosen instructional e-resources provide a bridge between textbook, inquiry and technology.

Come learn about the 19 Rosen Social Studies and Science Digital Interactive eBooks series available on the VRC to all grade levels. This material enables an enhanced reading experience through games, quizzes, and primary documents. All are tablet, smartphone, and Chromebook compatible and are aligned to NYS Common Core, national, and STEM standards. Some of the features include Voice-actor narrated read-aloud, unlimited, simultaneous access and lesson plans and Spotlight Instructional Lesson Planning Guide for each series.

Bring learning to life.

Date: October 19, 2017

Time: 9:00 - 11:00 a.m.

Place: Suffolk Cooperative Library System, Training Lab
