DOG GROOMING

Dog grooming is one of the most exciting and rapidly growing careers. Are you interested in making dog grooming a career? This course is designed to provide you with the required hours and skills to become a registered Suffolk County Dog Groomer. Our professional grooming instructor will share their expertise in a learning environment that combines theory and practical skills. The program includes basic grooming techniques, breed recognition, first aid, flea and tick evaluation and treatment, skin disorder identification, and clipping and scissor techniques. A 30-hour internship is necessary for the completion of this course. Student is responsible to secure internship. 50 classes

ASC1020
22FA: 10/12 – 05/12 T/Th 6:30 PM – 9:30 PM
Location: BTC Tuition: $1,867
22FB: 10/12 – 05/12 T/Th 6:30 PM – 9:30 PM
Location: WTC Tuition: $1,867

Additional Requirements: A current tetanus vaccination is required.

VETERINARY ASSISTANT

If you love working with animals, take the first step towards your new career and learn how to become a veterinary assistant. You will have the opportunity to combine theory and practical skills while studying veterinary terminology, surgical preparation and post-operative care, small and large animal nursing and animal first aid. You will be introduced to holistic methods such as animal nutrition, preventive and alternative medicine. You will have the opportunity to arrange your own 20-hour externship and complete hands-on training in a veterinary hospital under the supervision of a licensed veterinarian. 61 classes

ASC1000

REFRIGERATION AND AIR CONDITIONING 1

This introductory course will develop your knowledge and understanding of the principles of refrigeration and its application to the processing of air. The curriculum consists of 50% hands-on and 50% theory. A list of required hand tools will be distributed on the first night of class. 16 classes

HRA2000
22FA: 10/19 – 12/21 T/Th 6:00 PM – 9:00 PM
22SB: 04/05 – 06/07 T/Th 6:00 PM – 9:00 PM
Location: MTC Tuition: $1,065

REFRIGERATION AND AIR CONDITIONING 2

Prerequisite: Students must have completed Refrigeration and Air Conditioning 1 or have 1 or 2 year trade experience. Refrigeration and Air Conditioning 2 expands upon your knowledge of electric motors, relays, and capacitors. You will develop skills to diagnose and repair single and three-phase commercial refrigeration and air conditioning equipment. Electrical and mechanical theory will be taught. 20 classes

HRA2010
22WA: 01/11 – 03/29 T/Th 6:00 PM – 9:00 PM
Location: MTC Tuition: $1,161
Additional requirement: A list of hand tools will be distributed on the first night of class.

EPA TECHNICIAN CERTIFICATION TEST PREP

Passing the EPA exam is mandatory for all technicians who service, maintain and repair commercial refrigeration and air conditioning equipment (effective November 14, 1994). This EPA Technician Certification exam is approved by the EPA in accordance with Section 608 of the Clean Air Act. The seminar includes a self-study manual containing 20 sample questions, 200 focused study questions and text on Types I, II and III certification and the core. This class will prepare students for the certification examination. 2 classes

**HEAVY EQUIPMENT TRAINING CERTIFICATION COURSES**

Attention construction companies and employees! Increase your job skills by earning a certificate in Heavy Equipment Training. Eastern Suffolk BOCES has partnered with the L.E.A.R.N. Center Heavy Equipment Operator Training School to provide you with a broad base of knowledge through classroom instruction and practical experience in the operation of heavy equipment. Topics include safety, OSHA regulations, maintenance, basic controls and solo hands-on operations. Upon registration, you will be given the contact information to schedule your class. Weekday and weekend schedules are available.

Each course consists of 4 modules at $2,500 per module.

**CTR9010 22FA:** Backhoe Training

**CTR9020 22FA:** Bulldozer Training

**CTR9030 22FA:** Excavator Training

**CTR9040 22FA:** Front-End Loader Training

**CTR9050 22FA:** Skid-Steer Training

Location: Ronkonkoma, NY

**FAST-TRACK HEAVY EQUIPMENT CERTIFICATION**

If you have 5 years’ experience as a heavy equipment machine operator and are not certified, this Fast-Track 7-hour course is for you. Eastern Suffolk BOCES has partnered with the L.E.A.R.N. Center Heavy Equipment Operator Training School to offer a solution that will protect you or your business from safety violations. New laws and regulations will be reviewed in this one day, 7-hour course. Each machine evaluation consists of a 4-hour safety course. The remaining 3-hours will be an evaluation of the operator’s skill set. Upon registration, you will be given the contact information to schedule your class. Weekday and weekend schedules are available.

**CTR9060 22FA**

Location: Ronkonkoma, NY  
Tuition: $2,000

Note: The ESBOCES Adult Education refund policy does not apply to the Heavy Equipment Training Certification or the Fast-Track Certification courses. Students will receive a 100% refund only if they withdraw at least 5 days prior to the start date of the class. Once a student attends the class, there will be no refund given.
A Home Inspector is a vital part of the real estate, construction and banking industries. These modules meet the requirements of the New York State Home Inspection Licensing Law and the New York State Home Inspector certification program. If you are interested in obtaining this license, you must apply directly to the New York State Division of Licensing Service with a non-refundable $250.00 application fee. A High School Diploma or High School Equivalency is required to sit for the New York State Exam.

**ELECTRIC 2**
Prerequisite: Electric 1 (CTR4010) or basic knowledge of NEC and prior trade or school experience. This course introduces AC theory as it relates to single and three-phase commercial and industrial wiring methods. This curriculum includes motor and transformer theory and DC logic controllers. Hands-on applications will be applied to all theory covered.
29 classes
CTR4020
22WA: 02/08 – 06/02   T/Th   6:00 PM – 9:00 PM
Location: MTC   Tuition: $1,359

**BASIC CARPENTRY SKILLS**
You will be introduced to the basic skills required to be an entry-level carpenter. Practical skills will include knowledge and safe operation of hand and power tools, terminology of materials and nail codes. In addition, blueprint reading techniques will be reviewed. 15 classes
CTR2000
22FA: 09/23 – 01/27   Th   6:30 PM – 9:30 PM
22WB: 03/03 – 06/23   Th   6:30 PM – 9:30 PM
Location: ICC   Tuition: $1,045

Additional requirements: steel toe shoes and safety glasses are required. A basic tool list will be supplied on the first night of class.
Construction Trades

PLUMBING 1

Plumbing 1 prepares you to enter the plumbing field. You will learn basic repairs, installing faucets, sinks, water closets and bathtubs. The theory of soldering and cutting cast iron will also be reviewed. Throughout the course, you will learn and utilize the proper terminology related to the plumbing field. A hands-on application in a shop setting will allow for practical learning experience. 10 classes

CTR5000
22FA: 10/13 – 12/22  W  6:30 PM – 9:30 PM
22SB: 04/06 – 06/15  W  6:30 PM – 9:30 PM
Location: MTC  Tuition: $680

Additional requirement: a list of required tools will be given on the first night of class.

PLUMBING 2

Prerequisite: Plumbing 1 (CTR5000). This expanded course covers the roughing and finishing of domestic plumbing systems. You will learn how to remodel and renovate existing plumbing systems, cutting and threading of pipe and the proper procedures for installing gas water heaters. NYS plumbing codes and licensing requirements will be discussed. 10 classes

CTR5010
22WA: 01/12 – 03/23  W  6:30 PM – 9:30 PM
Location: MTC  Tuition: $680

Additional requirement: a list of required tools will be given on the first night of class.

OSHA 10 TRAINING

The 10-Hour OSHA Training Program for the Construction Industry provides training on the recognition, avoidance, abatement, and prevention of job related hazards, as well as teaches construction workers about their rights and employer responsibilities. The course includes an introduction to OSHA, OSHA Focus Four Hazards (falls, electrocution, struck-by, and caught-in or between), personal protective equipment, and health hazards in construction. Additional elective topics will be covered (actual topics subject to change). Students who successfully complete the course will receive an OSHA-10 Construction Industry card. All classes must be attended and completed in their entirety to receive credit for the course. 3 classes

CTR9070
22FA: 10/07 – 10/21  Th  6:00 PM – 9:30 PM
22WB: 03/10 – 03/24  Th  6:00 PM – 9:30 PM
Location: BTC  Tuition: $105

OSHA 30 TRAINING

This 30-hour Construction OSHA Training Program is intended to provide a variety of training to workers with some safety responsibility. Training emphasizes hazard identification, avoidance, control, and prevention. The course includes an introduction to OSHA, OSHA Focus Four Hazards (falls, electrocution, struck-by, caught-in or between), managing safety and health, personal protective and lifesaving equipment, health hazards in construction, and stairways and ladders. Additional topics will be covered (actual topics subject to change). Students who successfully complete the course will receive an OSHA-30 Construction Industry card. All courses must be attended and completed in their entirety to receive credit for the course. 11 classes

CTR9080
22FA: 10/13 – 12/22  W  6:30 PM – 9:30 PM
22SB: 04/06 – 06/15  W  6:30 PM – 9:30 PM
Location: MTC  Tuition: $680

Additional requirement: a list of required tools will be given on the first night of class.

CAREER TRAINING, LICENSING and CERTIFICATION PROGRAMS

Register online at: www.esboces.org/AEV
COMMERCIAL CULINARY ARTS PROGRAM

Have you let your aspirations of becoming a chef marinate too long? It is time for you to start cooking like a chef! You'll receive training in a fully-equipped commercial kitchen and work side by side with a master chef/instructor who has extensive industry experience. This course will introduce you to kitchen and restaurant operations, as well as the cooking and food industry. Program topics include: basic cooking techniques, knife skills, multiple course cooking, food safety, sanitation, and commercial cooking equipment. You will learn the glamorous world of plating and presentation techniques all while exploring the use of standard and exotic foods used all over the world. The Food Handler’s Certification is included in this course.

CUA2000
22FA: 09/20 – 01/24 M/W 6:00 PM – 10:00 PM
22WB: 02/07 – 06/08 M/W 6:00 PM – 10:00 PM
Location: BTC  Tuition: $2,525

Additional requirement: students are required to purchase a uniform.

PROFESSIONAL BAKING

Learn how to bake like a professional. Through this in-depth, hands-on course, students will learn the techniques used by pastry chefs to produce a variety of gourmet breads and desserts. The course will teach students professional pastry arts and baking, while producing a variety of baked goods. Topics covered will include: breads, pastries, cookies, pies, cakes, soufflés, custards and more. Develop baking skills that you can use in a professional baking environment. The Food Handler’s Certification is included in this course.

CUA1000
22FA: 09/20 – 12/22 M/W 6:00 PM – 10:00 PM

Health Sciences

PREREQUISITES FOR THE FOLLOWING HEALTH SCIENCES COURSES:

- U.S. high school diploma or equivalency. Foreign high school diplomas must be evaluated and verified to be equivalent to a U.S. high school diploma by an accredited international academic credentialing company prior to registration. A U.S. high school diploma or equivalency is not required for Home Health Aide.
- Proper photo identification, must be current (non-expired) and contain both a current photo and your signature.
- Uniform required for most courses (details provided after registration).
- An ESBOCES physical exam is required and must be completed at student’s own expense (details provided upon registration). This is not required for EKG Technician and Medical Office/Biller Coder Programs.
- To purchase required textbooks, visit www.esboces.org/bookstore.

CAREER TRAINING, LICENSING and CERTIFICATION PROGRAMS

CERTIFIED PERSONAL TRAINER

Do you have a passion for personal fitness? Would you like to possess the knowledge, skills and abilities necessary to design safe and effective fitness programs and make a career out of it? This Certified Personal Trainer (CPT) program aligns both clinical exercise and practical health fitness coursework, ultimately allowing you to earn nationally recognized certification from the International Sports Sciences Association after completing the certification requirements. Students will also receive CPR training. The cost of both certifications is included in the tuition. Course topics include: anatomy, kinesiology, injury prevention, supplementation and nutrition, as well as weight and strength training. 24 classes

HCA4000
22FA: 09/28 – 01/06   T/Th   6:00 PM – 9:00 PM

## CAREER TRAINING, LICENSING and CERTIFICATION PROGRAMS

### CLINICAL MEDICAL ASSISTANT

Medical assistants play a critical role in the daily operations of doctor’s offices, clinics and health care facilities. The program prepares students, through hands-on training, education in medical procedures, patient care, clinical assisting, administrative practices, and fundamentals of health sciences, giving students the qualifications they need to fill a wide-range of health care services. Course content includes: medical terminology, basic clinical skills and procedures of medical asepsis, vital signs, sterilization, assisting with physical examinations, routine office testing, phlebotomy, EKG testing and CPR training. Completers are eligible to take certification exams in Clinical Medical Assistant, Phlebotomy and EKG at an additional cost payable to the testing agency. Students are required to participate in a 160-hour externship during the course. 80 classes day/100 classes evening

### MEDICAL OFFICE BILLER/CODER ICD-10

Earn your medical biller and coder certificate in less than three months! The health care industry depends on skilled, qualified medical insurance billers and coders to accurately record, register and track patient accounts. The course work covers medical terminology, anatomy and physiology, health insurance coverage and the fundamental operations of a medical office. Diagnosis and procedure coding will also be covered. You will learn how proper reimbursement can be obtained from various insurance companies such as employer-provided insurance, disability insurance, Medicare, Medicaid, and Workers Compensation. Alternative medical treatments as they relate to coding and billing will also be reviewed. Throughout the course, students will work independently to learn how to use the Medical Manager software. Completers are eligible to take a certification exam at an additional cost payable to the testing agency. 35 classes day/58 classes evening.

### Additional Information

- **Medical Office Biller/Coder ICD-10**:  
  - Additional requirement: basic computer skills are required.

- **Nurse Assistant**:  
  - Additional requirements: students must have a valid social security card and are required to have a background check and random drug screening. This cost is covered in tuition. Detailed information will be provided on the first day of class.

- **Phlebotomy Technician**:  
  - Additional information: it is recommended that all students have the Hepatitis B vaccine.
Health Sciences

PRACTICAL NURSING PROGRAM

Additional prerequisites for Practical Nursing Program:
- Successful score on the Nurse Entrance Exam for Practical Nursing candidate is determined based on a test performance. Students must earn a combined total of five or more points to move forward with the application process. Registration for the Entrance Exam can be completed online at www.esboces.org/AEV
- Satisfactory faculty interview.
- Completed application packet.

The Licensed Practical Nurse serves as an integral part of the nursing and health care team who, under the supervision of the Registered Professional Nurse, Physician or Dentist, shares in the responsibility, accountability and performance of health care services. The Practical Nursing Program at ESBOCES serves as a forum for bringing transcultural nursing students with diverse interests together to learn about and provide culturally congruent nursing care to society.

The mission of the program is to provide a safe environment to promote clinical competence, self-confidence, reflective practice, teamwork and inter-professional collaboration for students and faculty. Practical nurses are central to our health care system, advocating and delivering transformational care in community health care clinics, home care, and acute care settings. The Eastern Suffolk School of Practical Nursing Program includes a simulation lab which provides students with interactive, practice-based instruction.

The cost of the tuition includes the NYS Licensure Exam (NCLEX®), NYS Licensing fee and the ATI Learning System Package which offers a wide variety of NCLEX® preparation assessments. At the completion of the program, an ATI Review Week will be offered at an additional cost. All costs are subject to change.

The Eastern Suffolk School of Practical Nursing is located at the Adult Education Center in Brentwood. Upon acceptance, students are required to complete a background check and random drug screening. For more information related to Federal Student Aid or Gainful Employment, please visit our Adult Education site at www.esboces.org/nursing

Practical Nursing 1
09/2022 - 06/2023 M/T/W/Th 6:00 PM – 9:30 PM
and Practical Nursing 2
09/2023 - 04/2024 M/T/W/Th/F 8:00 AM – 2:30 PM
- OR – Practical Nursing, Full-Time
09/2022 - 08/2023 M/T/W/Th/F 8:00 AM – 2:30 PM

Upon completion, students receive a diploma issued by the Eastern Suffolk School of Practical Nursing and are eligible to take the NYS Practical Nursing Licensing Examination.

PREPARATION FOR PRACTICAL NURSING ENTRANCE EXAM

A career in nursing is both challenging and rewarding. The first step in the process for entry into the Eastern Suffolk School of Practical Nursing is a successful score on the entrance exam which assesses vocabulary, reading comprehension, English, and math skills. Prospective candidates seeking admission to the Practical Nursing Program who want to improve their reading comprehension, English, and math skills are encouraged to take this course. Students will be pre-tested and post-tested to assist in identifying strengths and weaknesses in reading comprehension, English and math. Students enrolled in the prep course will be eligible to take the Nurse Entrance Exam immediately following completion of the course. The completion of this course does not guarantee admission into the Practical Nursing Program. 18 classes

LPN1200
22FA: 10/18 – 12/20 M/W 6:00 PM – 9:00 PM
22WB: 01/10 – 03/21 M/W 6:00 PM – 9:00 PM

Location: BTC Tuition: $689

NURSE ENTRANCE EXAM

Candidates must take and pass the Nurse Entrance Exam to be considered for enrollment in the Practical Nursing Program. The exam assesses vocabulary, math, English and reading comprehension. A successful exam score grants the candidate an interview with faculty and does not guarantee admission to the Practical Nursing Program. You MUST arrive ½ hour prior to your scheduled exam time. LATE ARRIVALS will NOT be permitted to take the exam and will have to reschedule at a cost of $35.

LPN1210
Location: AEC Tuition: $179

Register for exam at www.esboces.org/AEV. Testing is ongoing; several dates are available. Please note: the fee for the Nurse Entrance Exam is non-refundable.
Health Sciences

HOME HEALTH AIDE

Home health aides are a valuable part of any health care team. This course will prepare you to assist the disabled, chronically ill, cognitively impaired, and elderly individuals with daily personal tasks such as bathing and dressing, organizing the client’s schedule and planning appointments. The home health aide provides basic health-related services such as checking vital signs or administering prescribed medication at scheduled times. Light housekeeping, shopping and preparation of meals are also part of the home health aide’s responsibilities. The home health aide’s role is to act as an emotional support and companion to their client.

Experienced welders are in high demand on Long Island. You will learn the fundamentals of shielded metal arc, Tig/Mig and oxy-acetylene welding. Employment opportunities, as well as preparation for job interviews, will be discussed. You will have the basic skills necessary to break into this exciting and essential trade area.

**24 classes**

**WEL1000**
22FA: 09/13 – 12/15 M/W 6:00 PM – 9:30 PM
22FB: 09/14 – 12/16 T/Th 6:00 PM – 9:30 PM
22SC: 03/14 – 06/13 M/W 6:00 PM – 9:30 PM
22SD: 03/15 – 06/14 T/Th 6:00 PM – 9:30 PM
Location: M/W: MTC T/Th: ICC Tuition: $2,436

Additional requirement: students are required to provide gloves and helmet for all welding courses.

**CONTINUING EDUCATION**

**SHIELDED METAL ARC**
Learn a basic understanding of common arc welding procedures and practices covering: joint design, electrode selection, and polarity. Other topics to be discussed will be the three basic welding joints, as well as an introduction to out-of-position welding.

12 classes

**WEL1010**
22FA: 09/21 – 10/28 T/Th 6:30 PM – 9:30 PM
22WB: 01/11 – 03/01 T/Th 6:30 PM – 9:30 PM
Location: MTC Tuition: $929

**ADVANCED SHIELDED METAL ARC**
Prerequisite: Shielded Metal Arc (WEL1010) Learn the advanced technical understanding of arc welding, as well as improve your skill in out-of-position welding. There will be an emphasis on structural welding and the American Welding Society (AWS) D1.1 standard. 12 classes

**WEL1015**
22FA: 11/30 – 01/18 T/Th 6:30 PM – 9:30 PM
22SB: 04/05 – 05/24 T/Th 6:30 PM – 9:30 PM
Location: MTC Tuition: $929

**TIG/MIG BEGINNER**
This is an introductory course in machine set-up and operation of two welding procedures. You will learn beginning TIG (heli-arc), stainless and aluminum in all positions, and beginning MIG which will cover welding of mild steel. 12 classes

**WEL1030**
22FA: 09/20 – 11/03 M/W 6:30 PM – 9:30 PM
22WB: 03/07 – 04/13 M/W 6:30 PM – 9:30 PM
Location: ICC Tuition: $929

**ADVANCED TIG**
Prerequisite: TIG/MIG Beginner (WEL1030) Are you looking to advance your welding skills? This course is designed to teach students who have basic knowledge of TIG welding and wish to improve their skills in welding aluminum, stainless steel, and steel tubing to American Welding Society (AWS) D17.1 standard. Upon completion, you can seek employment in industries such as aerospace, marine, automotive, nuclear and many others. 12 classes

**WEL1035**
22FA: 11/08 – 12/20 M/W 6:30 PM – 9:30 PM
22SB: 05/02 – 06/13 M/W 6:30 PM – 9:30 PM
Location: ICC Tuition: $929

Register online at: www.esboces.org/AEV
**FEDERAL STUDENT AID** (Pell Grant, Direct and Parent PLUS Loans) is available to qualified individuals for eligible programs. Eligible programs include the **Practical Nursing Program** and **Cosmetology Program**. Students are required to complete a FAFSA (Free Application for Federal Student Aid) to determine their eligibility. For important information related to Federal Student Aid or Gainful Employment, please visit our Adult Education site at [www.esboces.org/nursing](http://www.esboces.org/nursing) or [www.esboces.org/cosmetology](http://www.esboces.org/cosmetology).

Eastern Suffolk BOCES is an eligible training provider for the following agencies:

**ACCES-VR** Adult Career & Continuing Education Service provides tuition assistance for individuals with disabilities.

**DOL WIOA** The Workforce Innovation and Opportunity Act, managed through the Department of Labor, provides assistance to those with significant barriers to obtain training for employment.

**CSEA** Civil Service Employees Association, Inc., union members may be eligible.

**Veterans Administration** Based on active duty service, the GI Bill® provides educational assistance to service members, veterans, and their dependents. Contact the Department of Veterans Affairs at 1-800-827-1000. 

**GI Bill®** is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at [http://www.benefits.va.gov/gibill](http://www.benefits.va.gov/gibill).

**1199SEIU** Members may be eligible for tuition assistance for the Practical Nursing Program.

---

**ESBOCES REFUND POLICY**

All withdrawals incur an administrative fee of $35. All withdrawal requests must be provided in writing to the Program Administrator.

- Withdrawal prior to 5 business days of the first class: 100% Refund
- Withdrawal within 5 business days prior to the first class: 90% Refund
- Withdrawal after the first class and prior to the second class: 75% Refund
- Withdrawal after the second class: 0% Refund

**NO REFUNDS WILL BE PROVIDED AFTER THE SECOND CLASS. THERE ARE NO EXCEPTIONS TO THIS POLICY.**

Refunds other than charge cards may take 4 to 6 weeks.

**FEDERAL REFUND POLICY**

The **Practical Nursing Program** and the **Cosmetology Program** at ESBOCES do not observe the above-mentioned refund policy. Eligible programs follow federal guidelines related to withdrawals, refunds and credit balances. Please refer to the program handbook and/or the ESBOCES website for more information.

Any balance owed to the school resulting from a termination of enrollment is due immediately. Students may not enroll in any course provided by ESBOCES with an outstanding account balance.

**CLASS CANCELLATION** ESBOCES reserves the right to cancel a course that does not have sufficient enrollment or to change class dates, times, and locations as the need arises. Students will be notified by email or phone at least 2 days prior to the start date of class.

**SENIOR CITIZEN DISCOUNT** Tuition costs may be discounted 10% for senior citizens 62 years of age and older. Documentation is required (e.g., Driver License, leisure pass, copy of birth certificate). Please note: this discount does not apply to any ESBOCES program exceeding $1,000.

**INCOME TAX INFORMATION** Students attending the **Practical Nursing Program** and the **Cosmetology Program** at ESBOCES may be eligible to receive educational tax benefits. Please refer to IRS Publication 970 and/or a Certified Public Accountant for information regarding educational tax benefits. All other Adult Education programs at ESBOCES are not eligible programs as defined by the Internal Revenue Service.

For further information, please visit our website at [www.esboces.org](http://www.esboces.org) or contact Student Financial Services at (631) 233-4450.

GMAT® TEST PREPARATION

Most MBA programs across the country now require a graduate management admissions score for acceptance. For those students looking to achieve a maximum score, this course will prepare you to do so in all subject areas. This online format combines the convenience of independent study with the camaraderie of a classroom environment. This course is offered in collaboration with The Center for Legal Studies. Visit www.legalstudies.com/vendor/es-boces/ to register.

GRE® TEST PREPARATION

Applying to graduate school likely means taking the GRE® revised general test. This preparation course is a must to ensure that you do your best. For those students looking to achieve a maximum score, this course will prepare you to do so in all subject areas. This online format combines the convenience of independent study with the camaraderie of a classroom environment. This course is offered in collaboration with The Center for Legal Studies. Visit http://www.legalstudies.com/vendor/es-boces/ to register.

LSAT® TEST PREPARATION

Applying to law school means taking the Law School Admissions Test (LSAT®). You will receive an overview of law school survival techniques. It includes an intensive review of reading comprehension and logical reasoning questions, including techniques for quick elimination of incorrect answers and approaches for selecting the correct answer. You will also learn the outline format that law school admissions counselors favor for the writing sample. This course is offered in collaboration with The Center for Legal Studies. Visit http://www.legalstudies.com/vendor/es-boces/ to register.

REIKI 1 PRACTITIONER

Learn how to reduce stress! Reiki is a beautiful Japanese technique used for stress reduction and deep relaxation. It is one of the modalities that the health care field is recognizing for its ability to assist patients in the healing process. Hospitals (such as New York-Presbyterian) and health care facilities around the world now offer Reiki to their patients. This ancient art offers an opportunity to embrace body, mind, and spirit connection. Based on an understanding that life force energy flows through all living things, Reiki enables an individual to address imbalances in their energy body. A practitioner (through the use of either light touch or by floating hand above the recipient) assists to restore balance. Reiki aids a person in taking an active role in resolving issues that they are experiencing in their lives. Participants will learn how to use Reiki on themselves and others. This program includes extensive practical experience. Upon completion of the course, each student will receive a certification as a Reiki 1 practitioner. 7 classes

Welding

Ornamental Welding
Learn professional welding techniques and work on your fabricating skills at the same time. In this course, you will learn fabrication skills important to all welding processes. This hands-on program will guide you from initial design through the fabrication process using plasma cutting, oxy-acetylene, TIG or gas tungsten and arc welding. Participants will be encouraged to complete several ornamental projects. Most materials are included. 10 classes
WEL1020
22WA: 01/19 – 02/28   M/W   6:00 PM – 9:00 PM
Location:  MTC                              Tuition:  $875

Motorcycle Service and Repair
Get ready for Spring. Tune-up your bike and feel confident on the road. Course content will cover: review of basic 4-stroke engine theory, engine repair, adjustments and running of intake system, ignition/charging systems, valve clearance, clutch/transmission service, wheel and drive chain inspections and adjustments, all fluid services, exhaust inspection and repair, servicing of suspension, wheel bearings, tires and brakes. 12 classes
TTE4000
22SA: 05/17 – 06/23   T/Th   6:30 PM – 9:30 PM
Location:  MTC                              Tuition:  $500

Personal Enrichment Courses

Small Engine Repair
Theory of operation of 2- and 4-cycle engines, carburetors, ignition systems, electrical systems and more will be covered. You will service, diagnose, troubleshoot and repair lawn mowers, chain saws, snow blowers and other power equipment. You will have an opportunity to work on your own equipment.
14 classes
TTE5000
22FA: 10/18 – 12/06   M/W   6:30 PM – 9:30 PM
22WB: 01/31 – 03/23   M/W   6:30 PM – 9:30 PM
Location:  BTC                                Tuition:  $580

PERSONAL ENRICHMENT COURSES

Auto Body Repair
If you are a beginner looking to become familiar with auto body repair related tools and equipment, then this is the class for you! Power tools, spray equipment, types of paints and basic repair techniques will be covered. Personal auto work may be allowed at the instructor’s discretion.
14 classes
TTE1030
22WA: 02/15 – 04/07   T/Th   6:00 PM – 9:00 PM
Location:  WTC                             Tuition:  $610

Marine Repair
If you love the water and the outdoors and are in search of a great career, then you belong in this course. The curriculum focuses on 50 horsepower or less outboard motors and stern drive engine repair procedures, tune-ups, water pumps, winterizing and basic operating principles of outboard motors and stern drive engines, using theory and demonstration. The instructor will address practical problems, troubleshooting, and advanced teardown and rebuilding of outdrive engines. You will have the opportunity to work on your own outboard motor.
17 classes
TTE3025
22FA: 09/27 – 12/01   M/W    6:30 PM – 9:30 PM
Location:  ICC                               Tuition:  $610

Transportation Technology

Digital Audio Recording
Learn techniques on creating professional sounding mixes using a digital audio workstation in a fully-equipped studio which contains: iMac, interfaces, speakers and midi keyboards for each student. You will write, produce, engineer, mix and master your own projects. Projects include sound reinforcements for theater and musical performances, sound mixing for in-studio television productions and post-productions, and original soundtrack for film, television and the music industry.

BEFORE REGISTERING, PLEASE MEET WITH YOUR VETERAN COUNSELOR TO DETERMINE YOUR ELIGIBILITY.

Visit our website: www.esboces.org or call (631) 286-6585 for more information and a list of newly-approved courses.
CONFIRMATIONS
You may assume your registration is accepted unless otherwise notified. You will be notified if your class has been cancelled.

CERTIFICATES OF COMPLETION
Eastern Suffolk BOCES Adult Education Department will issue a Certificate of Completion to students who have maintained at least 80% attendance and have shown successful completion in the skills and aptitudes necessary for course completion as determined by a passing grade from the instructor. Completion certificate requirements may differ for licensing programs or comprehensive accelerated programs.

OFFICIAL TRANSCRIPTS/EDUCATIONAL RECORDS
Students may request an official transcript of their grades or other student records by writing to the Adult Education Office and enclosing a money order payable to Eastern Suffolk BOCES for $15.

SECURITY/PERSONAL SAFETY
Appropriate safety standards are adhered to in all classes and labs. All students are required to sign the Eastern Suffolk BOCES Code of Conduct at the beginning of class. Students may be required to provide personal protection equipment items such as goggles and aprons. Students are required to maintain appropriate business and professional behavior while on Eastern Suffolk BOCES property. Prohibited behavior includes abusive behavior and language, violence, alcohol on breath or drug use, and sexual harassment, among other behaviors. Disregard for these prohibitions may warrant removal from the program. Refund policy does not apply. For information related to Campus Safety and Security as per the Clery Act, please visit our website at www.esboces.org

DAMAGE TO OR LOSS OF PERSONAL PROPERTY ON EASTERN SUFFOLK BOCES PREMISES
Eastern Suffolk BOCES does not assume any responsibility, either real or implied, for the personal property of any adult education student. It is suggested that students review their personal insurance coverage.

DRUG, ALCOHOL AND SMOKING POLICY
Eastern Suffolk BOCES follows and promotes a “Drug Free” protocol, “Smoke Free” and “Alcohol Free” environment, both on campus and in clinical settings. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or place open to the public is illegal. The possession, sale, manufacture or distribution of any controlled substance is illegal. Possession and use of any alcoholic beverage or illegal drug is prohibited in school. Violators may be subject to local, state, and federal law as well as school policy. (See ESBOCES: Policy 6220 – Student and Substance Abuse; Policy 5160 – Drug-Free Workplace; Policy 5161 – Alcohol, Drugs, and Other Substances; (www.esboces.org)

INSTRUCTIONAL ACCOMMODATIONS
Students who require instructional accommodations are requested to contact a Vocational Advisor at (631) 244-5896 as soon as possible, but not less than 30 days prior to the beginning of the semester. Eastern Suffolk BOCES needs a minimum of 30 days to arrange for reasonable accommodations, if so required.

The Adaptive Driver Training Program
is designed to service those with physical and non-physical disabilities.

Our program evaluates, trains, and re-trains individuals with physical and neurological limitations.

We offer:
- comprehensive driving evaluations
- senior citizen assessments
- individualized instruction

Types of vehicles used:
- all automatic transmissions
- adapted autos
- non-adapted autos

Referrals are accepted from ACCES-VR, school districts, insurance companies, Veterans Administration, hospitals, and physicians. Self-referrals accepted.

*Priority is given to referrals from ACCES-VR and school districts.

For more information, call (631) 244-5886

The Supported Employment Program
is coordinated and funded by the Office of Adult Career and Continuing Education Services – Vocational Rehabilitation (ACCES-VR) and the Office for People with Developmental Disabilities (OPWDD).

The program’s goal is to identify competitive employment and follow-up services geared toward maintaining competitive employment for those deemed eligible.

Our program provides employment-related services to individuals with intellectual and other developmental disabilities that include:

- assessment of individual’s interests, employment needs, and skills
- soft skills training and pre-employment preparation
- travel training to community employment site
- job development consistent with individual’s interests, abilities and employer expectations
- on-the-job training
- long-term support services

Eastern Suffolk BOCES does not discriminate against any employee, student, applicant for employment, or candidate for enrollment on the basis of sex, gender, race, color, religion or creed, age, weight, national origin, marital status, disability, sexual orientation, gender identity or expression, transgender status, military or veteran status, domestic violence victim status, genetic predisposition or carrier status, or any other classification protected by Federal, State, or local law. This policy of nondiscrimination includes: access by students to educational programs, student activities, recruitment, appointment and promotion of employees, salaries, pay, and other benefits. ESBOCES also provides equal access to the Boy Scouts and other designated youth groups. ESBOCES fully complies with all applicable rules and regulations pertaining to civil rights for students and employees (e.g., Title IX of the Education Amendments of 1972, §504 of the Rehabilitation Act of 1973, Titles VI and VII of the Civil Rights Act of 1964, Dignity for All Students Act, §303 of Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and the Boy Scouts of American Equal Access Act of 2001). Inquiries regarding the implementation of the above laws should be directed to either of the ESBOCES Civil Rights Compliance Officers at ComplianceOfficers@esboces.org: the Assistant Superintendent for Human Resources, 631-687-3029, or the Associate Superintendent for Educational Services, 631-687-3056. 201 Sunrise Highway, Patchogue, NY 11772. Inquiries may also be addressed to the Office for Civil Rights at the US Department of Education, 32 Old Slip, 26th Floor, New York, NY 10005, 646-428-3800, OCR/NewYork@ed.gov.
