

2020 Long Island Technology and Education Summit

Eastern Suffolk BOCES, Nassau BOCES, and Western Suffolk BOCES invite all K-12 educators to participate in the 2020 Long Island Technology & Education Summit. The focus of this conference is to promote the use of technologies to enhance critical thinking, problem solving, creativity and imagination in the classroom. The Long Island Technology & Education Summit is a platform for sharing new ideas, innovations and trends. This highly regarded annual conference has grown into a premier event for Long Island educators.

Keynote Speaker

ADAM BELLOW

Our 2020 keynote speaker, Adam Bellow, is a dedicated educational technologist, father of two young boys, and Co-Founder of Breakout EDU, the immersive gaming platform that enables teachers and students to transform classrooms into places of discovery and inquiry-based learning. Previously, he served as a Presidential Innovation Fellow for the Obama White House, created several edtech learning platforms including eduTeacher, eduClipper and WeLearned.It. Adam has written numerous books about educational technology and speaks internationally on the subject of education and technology.
