

Summer Career Exploration Program

for students 13 to 15 years old

July 6, 2020—July 24, 2020 - 8:30 am—12:00 pm

\$395.00 for 3 weeks

Automotive Technology

You will discover the basics of automotive technology. From brake systems, to steering and suspension systems, and engine repair, students get to participate in hands-on activities in our state-of-the-art shop!

Dog Care and Training

Explore the world of caring for dogs in our animal science program. Students will be introduced to animal behavior, breeds, safety and handling, basic tools, equipment and shampoos. Students will also have the opportunity to bring their dog to class and learn the basics of grooming and training.

Introduction to Culinary Arts

Look at what's cooking in the kitchen! Develop your cooking skills in an authentic commercial kitchen. Engage in hands-on experiences covering cooking, baking, kitchen safety, sanitation, and nutrition. Participate in an end of program cook-off competition!

Cosmetology

Welcome to the salon! Create up-do's, style with roller sets, experiment with blow-drying, curling/flat iron styling, French braids and more! You will also learn manicure and facial techniques. Come enjoy the salon experience and become a stylist for the summer.

Metal Magic

Spend some time in a metal shop exploring the basics of metalwork and welding. You will gain valuable insights, use tools needed to weld, and create fun projects.

Engineering

How does that robot do what it does?! Learn the fundamental engineering and technical principles of robots! Think it, build it, and watch it work!

Audio Production

Do you love music? Explore the steps and tools used in audio mixing! Learn techniques on creating professional sounding mixes using a digital audio workstation in a fully equipped studio.

Registration begins February 1, 2020!
