In the event that BOCES Purchasing Office is closed the day of the Bid Opening, the bid(s) will be opened the next day that the BOCES Purchasing Office is open.
2. All Bids must be submitted on and in accordance with the Bid Documents and provided by Bidder, in a sealed envelope addressed to BOCES Purchasing Department, at 201 Sunrise Highway, Patchogue, NY 11772 on or before the hour and day stated above, and the envelope shall be endorsed on its face with (i) the name of person, firm, or corporation submitting a bid, (ii) the Bid number and name, and (iii) the date of Bid Opening.
3. Each Bid must be submitted under separate cover and will be considered on its own merits. Each Bid must be separate and apply only to this designated Bid package. Any Bid offered in combination with another designated Bid package will not be accepted. Vendors wishing to submit an alternate Bid must do so as a separate Bid package to be considered for award.
4. Facsimile, telephone, or verbal bids or any modifications of Bid Documents will not be accepted or considered.
5. Bids received after the time stated in the Notice to Bidders will not be considered and will be returned to the Bidder unopened. The Bidder assumes the risk of any delay in the mail or in the handling of the mail by BOCES employees. The Bidder assumes all responsibility for having the Bid deposited on time at the place specified.
6. Each Bidder is requested to carefully read the Bid Documents as each Bidder will be held to strict compliance with such documents. Failure to fulfill any requirements of the Bid Documents may result in being considered non-responsive.
7. No modifications or additions are to be made to the printed Bid Documents. In the event the Bidder deems that modifications are necessary, such modifications must be set forth in writing to BOCES in a separate document and submitted with the Bid Documents to be considered. However, any modifications or additions submitted may result in the Bid being considered non-responsive.
8. All information required in the Bid Documents must be provided by the Bidder to constitute an acceptable Bid.
9. BOCES will interpret the submission of a Bid to mean that the Bidder is fully informed as to the extent and character of the services, supplies, materials, or equipment required and that the Bidder can furnish same in complete compliance with the Bid Documents.
10. Sales to political subdivisions are not affected by fair trade agreements. (General Business Law, Ch. 39, Sec. 369-a, Sub. 3, L. 1941).

No charge will be allowed for federal, state, or municipal sales and excise taxes, from which the political subdivisions are exempt, or for any portion of a gross receipts tax, MTA

surcharge or other tax or surcharge which was imposed upon the Vendor. All Bid prices shall be net and shall not include the amount of any such tax. Exemption documents, if required, will be furnished on forms provided by the Successful Vendor.

11.
 - A. A Contract, if awarded, will be on the basis of materials, supplies, equipment and associated Service (if applicable) as described in the Specifications. Accordingly, in the Specifications, where a manufacturer's name, catalog number, any patented article or a named system/service is referenced, it is to designate a standard of quality, and the words "or equal" are understood to mean equivalent or better quality. Alternate Items/systems must be fully identified as such with descriptive literature to be submitted with the Bid. For example, the provision of the Vendor's Item number is not sufficient as an Item description. If bidding on Items/systems/services other than those specified, it is the responsibility of the Vendor to provide the trade designation, model number, manufacturer's name, and a detailed specification of Items/systems/services he proposes to furnish, which can be in the form of a catalog with the page number of the alternate Item bid or samples supplied
 - B. *As it pertains to Items*, BOCES may consider the purchase of alternate Items if they are clearly identified as such and samples are supplied. Upon receipt of samples the equivalency of any alternate Item(s) will be reviewed and those Items found not to be equivalent will be rejected at the sole discretion of BOCES
 - C. *As it pertains to Items/systems/services*, BOCES' decision whether an alternate or substitution is in fact "equal" shall be final. If no alternate Items/systems/services are identified, the Bid will be accepted according to Specifications
 - D. Any Vendor who substitutes awarded Items/systems after having stated that such Items/systems will be provided "as specified" may (1) have their Contract terminated, and (2) be liable for any expenses incurred as a result of said Contract termination
 - E. If a substitution is not accepted by BOCES, the line Item and/or Bid, whichever is applicable, will be deemed non-responsive and the next lowest responsive Bid for said Items/systems shall then be reviewed for recommendation of award.
12. When samples are a requirement of the Bid, such requirements shall be identified in the Specifications. See Specifications for instructions on where to deliver samples for alternate Item(s).
13. In the event alternates are identified as not acceptable in the Specifications, do not submit an alternate.
14. Bids for the provision of material, supplies and equipment must provide for same that is standard, new, of latest model, and in current production, unless otherwise specified.
15. All regularly manufactured stock electrical materials, supplies and/or equipment provided must bear the label of the Underwriter's Laboratories, Inc.
16.
 - A. Prices shall be net, including transportation and delivery charges fully prepaid by the Vendor to the destination indicated in the Bid and/or on the Purchase Order provided by BOCES. If award is made on any other basis, transportation charges must be prepaid by the Successful Vendor and added to the invoice as a separate line Item. In any case, title shall not pass until materials, supplies and/or equipment have been delivered and accepted by BOCES.
 - B. All prices submitted must be "per unit" and the extensions against each Item in the Bid

as specified; e.g., do not submit a Bid price "per case" when "per dozen" is specified, or Bid may be rejected. In the event of a discrepancy between the unit price and the extension, the unit price will govern. If individual quantity within unit specified varies from Bid, this must be clearly indicated. Prices shall be extended in decimals, not fractions, to no more than two (2) decimal places.

- C. When the Bid Documents require bids for lump-sums, Bidder must bid on each Item in the lump-sum group. If Bidder is not charging for an Item in a group, the Bidder must indicate "no charge" or the Bid for the group may be rejected.
 - D. **All prices must be on the Cost Proposal Form provided.**
17. Prices, and all required information, except signature of Bidder, should be typewritten for legibility. Illegible or vague Bids may be rejected. All signatures must be written. Facsimile, printed, or typewritten signatures are not acceptable.
18. The non-collusive bidding certification must be filled out in its entirety and included with each Bid as required by General Municipal Law, Section 103-d. Under penalty of perjury, the Bidder certifies that:
- A. The prices in the Bid have been arrived at by the Bidder independently and have been submitted without collusion with any other vendor of materials, supplies, or equipment of the type described in the invitation for bids.
 - B. The contents of the Bid have not been communicated by the Bidder, or, to the Bidder's best knowledge and belief, by any of its employees, or agents, to any person not an employee or agent of the Bidder or its surety on any bond furnished herewith prior to the official opening of the Bid.

26. The Contract will be utilized at the discretion of BOCES. Consequently, there is no guarantee that the specified minimum amount of materials, supplies or equipment will be purchased. Conversely, the quantities purchased may exceed the estimated quantities listed within this Bid. In the event the Bidder anticipates a problem providing quantities greater or less than listed, BOCES requests that Bidders consider not bidding on said Items.

The Contract will be awarded to the lowest responsive, responsible bidder who (i) meets the terms and conditions stated in the Bid Documents, (ii) completes all the required forms, including the attached W-9 form and (iii) offers the lowest price or highest discount as indicated on the Cost Proposal Form.
28. If not awarded, the Bid will be rejected within ninety (90) days of the date of the opening of Bids, subject, however, to the discretionary right reserved by BOCES to waive any informalities in, or to reject any or all Bids and to advertise for new Bids, if in its opinion, the

best interest of BOCES will thereby be promoted. During such ninety (90) day period, Bids may not be withdrawn unless the Bidder distinctly states in the Bid that acceptance thereof must be made within a shorter specified time.

29. In the event that the lowest apparent Bidder has been awarded only a small portion of the Bid, BOCES reserves the right to award to the second lowest Bidder.
30. BOCES reserves the right to award by Item, Item classification or category, in part or in whole or by indicated usage, whichever is in the best interest of BOCES.
31. BOCES reserves the right to reject any Bid if the Vendor fails to satisfy BOCES that they are properly qualified to carry out the obligations of the Contract.
32. BOCES reserves the right to inspect the Bidder's physical facilities prior to award.
33. If two or more Bidders submit identical Bids as to price, the decision of BOCES to grant an award to one of such identical Bidders shall be final.
34. BOCES reserves the right to reject all Bids. Also reserved is the right to reject, for cause, a Bid, in whole or in part, and to waive non-material defects, qualifications, irregularities, and omissions, if, in its judgment, the best interests of BOCES will be served.
35. BOCES reserves the right to purchase Items on State, County or other Governmental Agency contracts if such Items can be obtained on the same terms, conditions, specifications, and at a lower price if applicable.
36. BOCES reserves the right to reject incomplete Bids. BOCES also reserves the right to reject any or all responses to this Bid, request additional data or material at any time, or to cancel this Bid in whole or in part.
37. BOCES reserves the right to reject bids that impose conditions that would modify the terms and conditions of the Bid Documents or limit the Vendor's liability to BOCES on the Contract awarded on the basis of such Bid.
38. BOCES reserves the right to reject any Bid where investigation and evaluation of the Vendor's qualifications indicate that the Vendor may not promptly and efficiently fulfill the Bid Contract.
39. Each Bid will be received with the understanding that the acceptance thereof, in writing, by BOCES to furnish any or all of the Items described therein shall constitute a Contract between the Successful Vendor and BOCES ("Contract"). The Contract shall bind the Successful Vendor to furnish and deliver at the prices and in accordance with the conditions of this Bid. BOCES reserves the right to increase or decrease the quantities of material, supplies or equipment ordered.
40. All Contracts, with consideration to the escalation clause, will be held firm for the duration of the Contract including any extensions agreed to by BOCES and the Successful Vendor(s).
41. All estimations of purchase are approximations. However, recent history indicates that the BOCES' actual purchases may exceed the estimated quantities of purchase that are listed. In

the event that approximations of quantity differ from that stated on the Bid, prices must be honored by the Successful Vendor for the life the Contract.

42. No Items are to be shipped or delivered until receipt of an authorized purchase order from BOCES.
43. The placing in the mail of a notice of award to a Successful Vendor, to the address given in the Bid, will be considered sufficient notice of award of Contract. Failure of the Successful Vendor to contact BOCES to object to the award or prices therein, within seven (7) days of mailing of notice of award, will be considered an acceptance of the Contract by the Successful Vendor.
44. Any addenda sent to the Bidders shall be binding and take precedence over the section of the original Bid Document which it replaces.
45. If the Successful Vendor fails to deliver or provide the materials, supplies, equipment and associated Services (if applicable) within the time specified, or within reasonable time as interpreted by BOCES, or fails to make replacement of rejected Items when so requested immediately or as directed by BOCES, BOCES may purchase from other sources to take the place of the Item rejected or not delivered or Services not provided. BOCES reserves the right to authorize immediate purchase from other sources against rejections on any Contract when necessary. On all such purchases, the Successful Vendor agrees to reimburse BOCES promptly for excess costs occasioned by such purchases. Should the cost be less, the Successful Vendor shall have no claim to the difference.
46. In the sole discretion of BOCES no bid shall be accepted, or Contract awarded, to any Vendor whose performance on any previous Contract with BOCES has been determined to be unsatisfactory.
47. BOCES reserves the right to use outside vendors on an 'as needed' basis, as determined by BOCES.
48. Non- Assignment
 - A. The Successful Vendor will give its personal attention to the faithful performance of this Contract. It will not assign, transfer, convey, sublet, use brokers or otherwise dispose of this Contract, or its right, title or interest in or to the same or any part hereof, and it will not assign by power of attorney or otherwise any of the monies to become due and payable under this Contract, unless by and with the previous written consent of BOCES endorsed upon or attached to the assignment filed in said offices

 - C. In accordance with New York State General Municipal Law 109, at no time during the duration of any Contract resulting from this Bid, shall the Successful Vendor be allowed to assign any portion of this Contract to a third party without prior written approval by BOCES

49. Cancellation of Award/Termination of Contract

- A. BOCES reserves the right to terminate the Contract, for any reason, in whole or in part upon 15 days written notice to the Successful Vendor. If the Contract is so terminated, BOCES shall be liable only for payment in accordance with the payment provisions of the Contract for materials, supplies, equipment or Services (if applicable) purchased or rendered prior to the effective date of cancellation. No early cancellation or other penalties may be charged to BOCES because of its decision to exercise this right
- B. In the event the Successful Vendor fails to deliver as ordered, or within the time specified, or fails to abide by any of the provisions of this Contract, such failure shall constitute a breach of Contract and may result in cancellation of the Contract by BOCES
- C. In the event of breach, BOCES shall provide written notice to the Successful Vendor of such breach. If the Successful Vendor does not cure such breach within the ten (10) days after the date of such notice, BOCES reserves the right to cancel said Contract immediately. In the event of such cancellation, (i) the required materials, supplies, equipment and Services (if applicable) may be procured from the apparent responsible second low Bidder or other sources so that the continuity of the operations may be protected, (ii) the terminated Successful Vendor agrees to reimburse BOCES promptly for any excess costs occasioned by such procurement and (iii) the terminated Successful Vendor agrees to reimburse BOCES promptly for any monetary expenditures occasioned by such procurement

However, should the Successful Vendor cure such breach and perform its obligations during such ten (10) day notice period, the Contract shall continue in full force and effect with regard to such breach.

- D. 51. Severability

Should any provision of this Contract, for any reason, be judicially declared invalid and/or unenforceable, such declaration shall not affect the validity of the remaining provisions, which shall remain in full force and effect as if the Contract had been executed with the invalid provision(s) eliminated.

52. Failure to Enforce

BOCES' failure to enforce at any time, or for any period of time, the provisions of this Contract shall not be construed to be a waiver of such provisions or of the right to enforce each and every provision.

53. Indemnification and Hold Harmless

The Successful Vendor agrees to defend, indemnify and hold harmless BOCES, its officers, directors, agents, or employees against all claims, costs, damages and expenses, including attorneys' fees, judgments, fines and amounts arising from any willful act, error or negligence of the Vendor, its officers, directors, agents or employees in relation to the performance of the Contract.

EXHIBIT F

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law (“SFL”) §165-a and General Municipal Law (“GML”) §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the District, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

- (a) The person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
- (b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph (b) of subdivision three of Section 165-a of the SFL and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder’s certification.

Each bidder or proposer must certify that it is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the SFL. In any case where the bidder or proposer cannot certify that it is not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The District may award a bid to a bidder who cannot make the certificate on a case by case basis if:

- (1) The investment activities in Iran were made before the effective date of this section (i.e., April 12, 2012), the investment activities in Iran have not been expanded or renewed after the effective date of this section and the person has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
- (2) The District makes a determination that the goods or services are necessary for the District to perform its functions and that, absent an exemption, the District would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

CERTIFICATION

IRAN DIVESTMENT ACT OF 2012

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, added new provisions to the State Finance Law (SFL), §165-a and General Municipal Law (GML) §103-g effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b) and GML §103-g, the initial list is expected to be issued no later than 120 days after the Act’s effective date, at which time it will be posted on the OGS website.

By submitting a response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Proposer (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Proposer is advised that once the list is posted on the OGS website, any Proposer seeking to enter into, renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is bid upon or a proposal submitted, or the contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should ESBOCES receive information that a person is in violation of the above-referenced certification, ESBOCES will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then ESBOCES shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

ESBOCES reserves the right to reject any bid, proposal or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.
